

Declaration

Undersigned, _____, candidate for doctoral fellowship within the Scientists4Future Slovenia Doctoral Programme, hereby declare that:

- I comply with the Programme eligibility criteria – I have not resided or carried out my main activity (work, studies, etc.) in Slovenia for more than 12 months in the last 3 years before the call deadline;
- all the information I have provided is true;
- I have carefully read and I accept the conditions set out in the call for applications;
- I hereby consent to the processing of my personal data, which I hereby voluntarily provide to the National Institute of Chemistry and the University of Ljubljana for the purpose of selection and appointment. I am aware that my application, including personal data, will, in accordance with the evaluation process, also be shared with and evaluated by external evaluators appointed by the National Institute of Chemistry. I understand that I can withdraw my consent at any time.
- at the time of the call deadline, I am eligible for the Family allowance:
- I am aware that the doctoral fellowship, which I am applying for, is funded by Slovene Research Agency and Ministry for Higher education, science and innovation and that any changes in funding may also result in changes to my rights and obligations as a candidate for a doctoral fellowship.
