Wanda Kukulski, Ph.D.

Professor of Biochemistry
Institute of Biochemistry and Molecular Medicine
University of Bern
Bühlstrasse 28
CH-3012 Bern
Email: wanda.kukulski@unibe.ch
Google Scholar: Wanda Kukulski
OrcID: 0000-0002-2778-3936

Education and positions

Since 05/2020	Professor (Extraordinarius) and group leader at the Institute of Biochemistry and Molecular Medicine, University of Bern, Switzerland.
2015 - 2020	Group leader in the Division of Cell Biology, MRC Laboratory of Molecular Biology (MRC-LMB), Cambridge, UK
2008 – 2014	Interdisciplinary postdoc at the EMBL Heidelberg, Germany, in the groups of Dr. John Briggs and Dr. Marko Kaksonen
2007 – 2008	Postdoc at the M.E. Müller Institute, Biozentrum, University of Basel, Switzerland, in the group of Prof. Andreas Engel
2002 – 2006	Ph.D. in Biophysics, M.E. Müller Institute, Biozentrum, University of Basel, Switzerland, supervised by Prof. Andreas Engel
1998 – 2002	Studies and diploma in Biology II, University of Basel, Switzerland Diploma work in Structural Biology supervised by Prof. Andreas Engel

Institutional responsibilities

since 2022	Co-Director Institute of Biochemistry and Molecular Biology, University of Bern. Safety, quality, and equal opportunities.

Awards and fellowships

2024	Lelio Orci Award, LS^2 Switzerland
2020	LMB Fellow, MRC Laboratory of Molecular Biology, Cambridge, UK
2019	EMBO Young Investigator Programme
2018	Royal Microscopical Society Alan Agar Medal for Electron Microscopy
2015	Swiss National Science Foundation Professorship (gratefully declined)
2012	Swiss National Science Foundation Fellowship for Advanced Researchers
2011	Swiss National Science Foundation Fellowship for Advanced Researchers
2008	EIPOD (EMBL Interdisciplinary Postdoc) Fellowship
